Time: 2:00 pm to 4:30 pm

Programme Highlight

Celebrating its 50th anniversary, Hong Kong Air Cargo Terminals Limited (Hactl) remains the beating heart of the world's busiest air cargo hub. Participants will experience the future of air cargo logistics firsthand:

- **Innovation:** Witness a paperless environment, AI-enabled security robots, 5G network integration, and the Integrated Hactl Control Centre (iHCC).
- **Sustainability:** Learn about the Green Terminal Programme and Science Based Targets initiative (SBTi) aimed at reducing emissions by over 50% by 2030.
- **Future-Ready:** Discover how advanced robotics and talent development are integrated to secure Hong Kong's position as a premier global logistics hub.
